ANOTHER MCCONNELLSBURG CASE.

It Proves That There's a Way Out for Many Suffering McConnellsburg Folks.

Just another report of a case in McConnellsburg. Another typical case. Kidney ailments relieved in McConnellsburg with Doan's Kidney Pills.

Riley Peck, shoemaker, Pleasant St., McConnellsburg says: "I was troubled with my kidneys and soreness in my back. I was dizzy at times and it affected my eyes. I had to get up often at night on account of the kidney secretions. I was tired out in the morning. The doctor gave me little relief. Two boxes of Doan's Kidney Pills, procured at Trout's Drug Store gave me great relief at once."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Peck had. Foster-Milburn Co., Props., Buffalo, N. Y.

SALVIA SUMMARIZINGS.

A flock of fifty wild geese alighted in J. A. Stewart's ice-pond field last Friday afternoon. Mr Stewart says he would have given a dollar for the privilege of clipping their wings so they could not fly away from the farm. They would have been a great attraction to the many tourists and other guests at the Green-hill House. Many are the opinions as to the cause that led the geese to come to terra firma at this point. Some think they invaded a strata of intensely cold air which paralyzed them so they could not fly farther; others think they encountered an adverse current of extremely cold wind, against which they couldn't make headway; others, that they became bewildered in a fog, and got separated from their leader—the old hockey pilot that they depend upon to land them safe into a more congenial climate; others that they came down to get a lunch. Whatever may have been the cause, it is evident that they started out from home too soon. The groundhog may have fooled them, but if they had read closely the FULTON COUNTY NEWS's woolly worm prognostications, they might have been saved all

this trouble and unnecessary exposure.

Edward Mellott and family moved last week from Charles W. Schooley's tenant house into the dwelling attached to the Speer store room owned by Emory Hessler.

The funeral of Mrs. Abbie Deshong, relict of Daniel P. Deshong, was largely attended last Sunday afternoon, as she was laid to her final rest in the cemetery at the Sideling Hill Christian church. The services were conducted by Rev. J. C. Garland of the Brethren church assisted by Rev. W. R. Truax of the same church.

Our esteemed friend and neighbor John B. Sipes and Miss Lily Sipes, as soon as their sale is over, are going to move to Hustontown, where they expect to reside indefinitely. Mr. Sipes' daughter, Mrs. Sadie Shaw and her two sons are taking charge of Mr. Sipes' farm.

While hauling wire fence Edward Spiker had two ribs broken by a roll of wire falling on him.

Last Friday afternoon, while returning from Hancock, Ira Palmer, of Needmore, was thrown from his wagon, both wheels passing over his body. He was taken to the home of his uncle Wm. Palmer at Warfordsburg. The full extent of his injuries are not known, but his condition is critical.

The debate held at Rock Hill school last Thursday, "Resolved that a centralized high school would be more of a benefit to the community than the nine small schools," was decided in favor of the negative by the judges.

That might have happened to ME

WE never know when to look for it. Well and happy today—sick, disabled or dead tomorrow. Wonder if that poor chap left anything.

Well—if my time ever comes, I'll know that the wife and babies are provided for. At least \$5,000 if I'm killed, and from \$25 to \$50 a week if I'm disabled. My AETNA ACCUMULATIVE ACCIDENT POLICY will take care of us all. Pays for a surgical operation or hospital expense, too.

Man on a salary certainly ought to couple up with this AETNA proposition. Those chaps who put it off-until-tomorrow don't realize what a pitiful fix a penniless, fatherless family is in. Be wise—

For eyes to last a lifetime

All the winter day you look forward to the evening, to serving supper, to seeing the family gathered in the sitting room—father reading, the young ones getting their lessons done, you yourself sewing—all surrounded by a soft flood of light from the beaming lamp on the center table.

That same lamp is important, for upon the light it casts depends the good eyesight of your family. To avoid any possibility of eye strain and the headaches and nervousness that follow, make certain that each room—sitting room, parlor, kitchen—is lighted by **Rayo Lamps**.

And to get the very best results, fill them with **Rayolight Oil**. **Rayo Lamps** are mechanically perfect—they never flicker nor smell, but they do throw a flood of soft, mellow light—a light that is ideal for reading, sewing or playing. And the **Rayo** is a beautiful lamp—special designs for special rooms—but every **Rayo Lamp** can be easily and quickly cleaned.

Of course, **Atlantic Rayolight Oil** does best in **Rayo Lamps**, but it will improve the light of any lamp. Really the best for heating, lighting and domestic uses. It burns without smell or smoke, and it burns economically.

As a result of our widely advertised request, thousands of careful housewives tell us that **Atlantic Rayolight Oil** is the very best thing they know for polishing windows and mirrors, brightening faded carpets, restoring linoleums, etc. Naturally, for this kind of work, it is important to get the very finest grade of kerosene—so be certain to ask your dealer for

ATLANTIC Rayolight OIL

by name. It costs no more than the unknown, untried kind.
